### GOLF FOR SCHOLARSHIPS

The theme of this year's Eastern Ontario Golf Day will again be **Golf for Scholarships** with net proceeds from the event going toward the long-term funding and enhancement of OABA's scholarships and awards.

Each year, the Ontario Agri Business Association offers several bursaries, scholarships and awards to students, including the most recently added **OABA NextGen Agri-Business Scholarship**, designed to support and inspire students pursuing undergraduate post-secondary studies in fields related to the agri-business sector. And the **Dave Buttenham Safety Scholarship**, established to support students pursuing post-secondary education in occupational health and safety related programs.

The Eastern Ontario Golf Day is open to all regular and associate members of OABA from the crop input, grain and feed sectors. We trust that the entire membership from across Ontario will support and participate in the Eastern Ontario Golf Day.
