**Golf for Scholarships!** In recent years the Ontario Agri Business Association re-aligned its bursaries, scholarships and awards presented to agricultural diploma students at Ridgetown Campus, U of G and degree students at Ontario Agricultural College, U of G. The Ontario Agri Business Association is continually looking for new opportunities to fund these important investments in the future of Ontario agriculture. In addition, OABA contributes annual funding to the Ontario 4-H Foundation in support of rural youth across the province.

With this in mind, the theme of the 2018 Western Ontario Golf Day will again be **Golf for Scholarships** with net proceeds from the event to go toward the long term funding and enhancement of OABA's scholarships and awards at the University of Guelph, as well as our annual funding donation to the Ontario 4-H Foundation. The Western Ontario Golf Day is open to all regular and associate members of OABA from the crop input, grain and feed sectors. We are also extending an invitation to members of our national affiliate associations (including **CropLife Canada, Canadian Seed Trade Association, CleanFARMS, Fertilizer Canada, Canadian Association of Agri Retailers, and Animal Nutrition Association of Canada**) to participate in this golf event and participate in OABA's efforts to support the future of Ontario agriculture and agri business.

**Craigowan Golf Club** - Nestled in the rolling hills of Oxford County, just north of Woodstock, Ontario, Craigowan Golf Club presents an exceptional golf experience to all levels of players. Craigowan is a Par-71, 18-hole golf course played over 6,728 yards that present a varied and inspiring golf experience.

Often described as a "**course which can be played and enjoyed by everyone,**" Craigowan challenges great players without overwhelming average players.

**\*\*\*Prize Table Donations NOT Being Taken. Since companies are being asked to sponsor the event, please note that OABA will NOT be taking donations of prizes from companies or individuals.**
